English Literature & Language §. View My E-Portfolio. Beginning in the Sixties, the period of Free Wordplay has progressively spread throughout many fields of study. ... Wild fun also offers you new types of educational writing competitions that we think are really great. If you want to try your hand at writing an excellent paper in a particular genre, then you might want to take part in our Writing Challenges. Here are some specific writing competitions that are on offer. These are obviously more suitable for advanced writers. Economics: 1) How to Decide on Which Major to Pursue (Scholarly Writing). 2) The Economics Case Studies Essay (Scholarly Writing). 3) The Two Sides of Saving (Scholarly Writing). 1) How to Decide on Which Major to Pursue (Scholarly Writing). The first consideration is whether to pursue a major in the sciences or humanities. The second is the choice between a focus on the sciences or the humanities. The decision between these two options is based on a number of considerations. In order to help you make your decision, you can read the essay below. Once you have decided that you want to pursue a major in the sciences or humanities, the next question is which department to choose. Most academic institutions have a number of departments. To help you decide, we are now going to introduce you to the process of choosing a department. It is only after you have done this that you should go on to choose a major. When you are ready to choose a department, you can do this in the following way. First, look for a department that offers the discipline you want to study. You can do this by looking at the academic offerings of departments when you do this, you need to compare the departments in terms of your preferences, you can look at the types of courses and the overall structure of departments. You can also use the careers section of the website of the department you are
