

Beach head is a single player arcade shooter. You are a lone gunner in the battle to control the sea. To start the game, first select your weapons from the drop-down menu and then select your level. Choosing to do so will cost you a little money but not nearly enough to prevent you from completing all 12 levels, which are quite challenging . The controls are relatively simple, and to some degree it feels like a very cheap clone of Galaxian. The game is relatively easy to grasp . The first level will give you an idea of the gameplay. You just have to aim at the target and shoot. The game is not particularly difficult, but it does have certain hazards, such as toxic gas, that have to be avoided. The game is very playable for a few minutes, but I would say that it is definitely not worth investing much time in. The music is nice, but not outstanding. .
